

March 18, 2020

Dear Community Supporter,

On behalf of our committee, thank you for your support of the Blue Tie Affair and Run for Your Buns. In light of national and state recommendations to not hold large events to prevent the spread of COVID-19 (coronavirus), we are choosing to put the health, safety and well-being of our valued patrons, guests and volunteers and their families first. Your health and safety is important to us and we appreciate your understanding.

With that in mind, the Blue Tie Affair, originally scheduled for March 28, will be cancelled. We look forward to seeing you for a great event in 2021 during Colon Cancer Awareness Month. Individual tickets are being refunded and mailed to the address on file. Please call (662) 377-3613 to verify that HCF has the correct mailing address. Donated silent auction items will be stored in a safe place for next year's event.

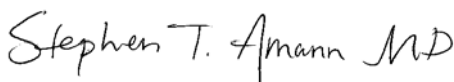

The Run for Your Buns, scheduled for April 4, will be postponed. We are working toward determining a new date, and as soon as we have one it will be sent out.

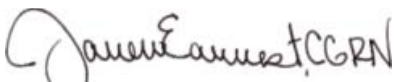

If you are a sponsor of these events, we are so thankful for you. Our plan is to increase the amount of branding and recognition given to our sponsors at the Run for Your Buns to make up for any lost exposure at the Blue Tie Affair.

Now, more than ever, our patients and families need our support. Most importantly, we appreciate and are humbled by our community support for this cause. Rest assured, any funds donated to these events will still be used to help colon cancer patients and families here in north Mississippi.

If you have any questions, please call (662) 377-5792 or email us directly.

Sincerely,

Stephen T Amann, M.D., FACG
