Friends and colleagues of James L. “Jim” Spruiell, NMMC chief flight nurse, established a scholarship in his memory shortly after his untimely death. Jim, 61, of Sulligent, Ala., was one of three people who died Nov. 19, 2017, in a medical helicopter crash in rural Arkansas. The helicopter, which was operated by Pafford EMS and Air Methods, was en route from Pine Bluff, Ark., to DeWitt, Ark., when the crash occurred.
